A DARABOKBAN FELHASZNÁLT NÉPDALOK SZÖVEGEI:
DER TEXT DER IN DIESEN STÜCKEN VERWENDETEN VOLKSLIEDER:

1. Lefeküdtem csak alig,
Nem egészen a falig.
Jól megölelj engemet,
Le ne essem mellőled.

2. Hess páva, hess páva,
Császárné pávája!
Ha én páva volnék,
Jobb reggel felkelnék.

4. Jaj, de bajos a szerelmet titkolni,
Tövis közül az ibolyát kiszedni.
Kiszedném én, de megszúrja a kezemet,
Kit szeretnék, az az enyém nem lehet.

5. Szeretnék szántani,
Hat ökröt hajtani,
Ha a rózsám jönne
Az ekét tartani.

7. Feleségem olyan tiszta,
Egyszer mosdik egy hónapba',
Sej, dínom-dánom,
Míg élek is, bánom,
Hogy megházasodtam.

A népdalok gyűjtői – Die Sammler der Volkslieder waren

BARTÓK Béla, JÁRDÁNYI Pál, LAJTHA László, VIKÁR Béla
